EXPERIENCE

Software Engineer

Fiserv / Lincoln, NE / July 2023 – Present

Additionally, I started and currently head our Young Professionals ERG group.

- I play a critical role in designing, developing, and maintaining high-quality software applications. I work with cross-functional teams to deliver solutions that align with our business goals and client needs.

Placement IT Engineer

Five Nines / Lincoln, NE / October 2022 – August 2023

After two months as an intern, I was placed at Lincoln Surgical Hospital, the company's biggest client.

- As the placement engineer, I was the hospital's go to for everything considered tech and IT. This was a wide umbrella that required flexibility on my end to provide quick, effective, and secure service.

Head of Facilities - Mechanic

Round 1 / Lincoln, NE / August 2021 – November 2022

I led the Facilities department, ensuring optimal building functionality.

- Worked on arcade cabinets and bowling lanes. I brought the "Downed Games" percentage of 40% down to 12% in 3 months through targeted repair and maintenance strategy.

General Manager

GameStop / Vallejo, CA / October 2015 – August 2021

I led multiple stores to exceed sales goals and customer satisfaction.

- Coordinated game launch events with vendors for over 250 people, with collaboration from game vendors. Recognized as "Prestige" for top customer surveys in the company and ranked 2nd for highest sales goals.
